Education

Abstract of the project, planned activities and expected results

0/250

Aim of the project

0/100

Complementarity of project aims with 4EU+ Mission Statement

0/100

For which European project will you apply to get the expected results

Horizon Europe
Erasmus+

The plan to submit an application for an external funding source at the latest one year after the (last) minigrant project concludes will be a part of the evaluation of applications. Please specify under which funding scheme or call you intend to apply (and what support you expect from the 4EU+ Virtual Development Office and CU European Centre).

Has your project team already received financial support from any of the 4EU+ institutions? Please specify.

Required budget in total (in CZK)

Structure of the budget - Expenditure categories
