# PRIMUSDAY - ANNUAL MEETING OF PRIMUS INVESTIGATORS

---

## The sixth annual meeting of Primus investigators

The Department of Science and Research of the Rectorate of Charles University invites you to **The sixth annual meeting of the Primus project investigators called "Primus Day"**, which will take place on March 13, 2025 in the Patriotic Hall of the historic Karolina building (Ovocný trh 560/5, Prague 1).

The meeting can be watched online via the link:

The rector of the Charles University, Milena Králíčková, will speak at the beginning, then the program will be presented by the vice-rector for research, Ladislav Křišťoufek. In the first part of the event, Michal Smetana and Zuzana Musilová, who are solving ERC grants at the Charles University, will present their research. After the break, among others, selected Primus project investigators will perform.

The Primus competition aims to support researchers, increase the dynamics of scientific work, including worker mobility, and last but not least, the development of young researchers. It is expected that the submitters of the proposals who will be successful in the competition will create their own laboratories at the Charles University and will be able to apply for an ERC grant before the end of the Primus project solution.
