# Komise pro internacionalizaci

---

## Poslání a kompetence

Komise byla nově ustavena na zasedání AS UK dne 6. února 2026.

The Internationalization Committee of the Academic Senate of Charles University was established to respond to the growing need for internationalization within the university structure. The primary goal of Charles University is to further cement its role within the international academic landscape, which has been one of its strategic aims for a long time.

The committee's agenda includes, but is not limited to:

- Internationalization of study programs
- Support for international students and academic staff
- Institutional tools to support internationalization, such as mobility, administrative support for international projects, and language or cultural education
- Fostering an internationalized academic environment
- Implementing institutional bilingualism
- Global alumni engagement
