**Academics**

All **undergraduate** direct exchange students will be admitted through the College of Arts & Sciences [http://artsci.washington.edu/departments](http://artsci.washington.edu/departments).

Exchange students (both graduate and undergraduate) are **not** eligible to apply for fee based programs listed here: [https://depts.washington.edu/registra/students/feeBasedPrograms.php](https://depts.washington.edu/registra/students/feeBasedPrograms.php)

| Graduate Students | The University of Washington is happy to accept Graduate applications from students who are currently in a Graduate program at their home university. Graduate students should complete the following steps to ensure their admissions process goes smoothly:  
1. Be nominated by their home university  
2. Reach out to the department you are interested in taking courses in to |
### Course Information

- **Course Descriptions:** [http://www.washington.edu/students/crscat/](http://www.washington.edu/students/crscat/)
- **Course Time Schedule:** [http://www.washington.edu/students/timeschd/](http://www.washington.edu/students/timeschd/)

### Special Considerations:

Undergraduates via a university-wide exchange will be admitted to the UW through the **College of Arts & Sciences** regardless of major in their home country.

The college is divided by four academic divisions: art, humanities, natural sciences, and social sciences.

Please know that the following courses are extremely competitive so students should plan to take courses outside of these areas:

- Business
- Communications
- Economics
- Psychology
- Law, Societies & Justice
- Math

If a course attracts more students than there are places, students enrolled in the UW degree program will be given priority above other students, including exchange students.

If students hope to take courses outside of the College of Arts & Sciences then they do so at their own risk. **Our office cannot guarantee any courses for exchange students so we ask that students be very flexible with their course selections.**

Professional programs including those offered by the Foster School of Business, Information School, School of Medicine, School of Nursing, and School of Pharmacy, as well as any fee based programs are not available to exchange students. [https://depts.washington.edu/registra/students/feeBasedPrograms.php](https://depts.washington.edu/registra/students/feeBasedPrograms.php)

### Housing

On campus housing is available for students who indicate they are interested in on campus housing in their UW exchange application. There are also many
off campus options should students want to live off campus.

Undergraduate: [https://hfs.uw.edu/Live/Undergraduates](https://hfs.uw.edu/Live/Undergraduates)
Graduate: [https://hfs.uw.edu/Live/Graduates](https://hfs.uw.edu/Live/Graduates)

Have housing questions? Email [hfsinfo@uw.edu](mailto:hfsinfo@uw.edu)

### Estimated Expenses

As part of the exchange agreement, students will receive a waiver of tuition and technology fees up to 18 credits. Please note that the following fees are not covered by your tuition waiver:

- U-pass (bus pass)
- UW International Student Health Insurance Plan (iSHIP)
- Course fees – if applicable (Some courses charge additional fees for instructional and/or laboratory costs that are not covered by the tuition waiver.)

| Application requirements                                                   | GPA: Equivalent of 3.0  
**Verification of English Proficiency**  
Every exchange visitor must possess sufficient proficiency in English to successfully participate in the program and function on a day-to-day basis. Federal law requires sponsors use and retain evidence of one of the following “objective measurements” to determine the student’s language proficiency.  
**TOEFL (IBT):** 83 Undergraduate 92* Graduate  
*Some graduate departments may have a higher language and/or GPA requirement.  
**IELTS:** 7.0 for both Undergraduate and Graduate  
*Some graduate departments may have a higher language and/or GPA requirement. |

**Information for Accepted Students:**

**Orientation:** All students should attend the [FIUTS Embark](#) Exchange Orientation.

**Insurance:** International students are required to purchase UW's International Student Health Insurance Plan (ISHIP). Students are automatically enrolled in ISHIP when they register for classes. For students who qualify for a waiver of the ISHIP requirement and wish to waive ISHIP they must submit a waiver request on the appropriate website after they register for classes and by the waiver deadline which is always the third Friday of each quarter. Students who will be staying more than one quarter and will be covered by their insurance their entire stay, they can choose to submit an annual waiver request, which will waive the ISHIP requirement for the entire academic year.

Instructions on how to waive ISHIP can be found here: [https://iss.washington.edu/student-life/health-insurance/](https://iss.washington.edu/student-life/health-insurance/)

**Ordering UW Transcripts:** UW Study Abroad will pay for one electronic transcript to be sent to the email address of the students choice at the end of the exchange period.

When committing to an exchange at the University of Washington, students will be asked to complete the “Academic Transcript Release” portion of the application, and will be asked to enter an email address for the transcript to be sent.

It is the students responsibility to enter the correct email address in the request. Electronic transcripts must be accessed and saved within 14 days of the send date. If a student enters a personal email address, the transcript will not be official.
