

# CURRICULUM VITAE

## Jindřich Libovický

### CONTACT AND PERSONAL DETAILS

---

**address:** Vít. Nezvala 750      **phone:** +420 723 143 006  
272 04 Kladno – Rozdělův      **email:** jlibovicky@gmail.com  
Czech Republic  
**web:** <https://ufal.cz/jindrich-libovicky>

### EDUCATION

---

**Charles University in Prague, Faculty of Mathematics and Physics (2007 – 2019)**

- doctoral study of Computational Linguistics (2013 – 2019);  
dissertation topic: Multimodality in Machine Translation;
- master's degree Computational Linguistics (2010 – 2013),  
in 2011 participation in Erasmus program at Utrecht University, The Netherlands,  
thesis: Statistical NLP Methods in Music Notation Analysis
- bachelor's degree in General Computer Science (2007 – 2010)

**Charles University in Prague, Faculty of Social Sciences (2011 – 2017)**

- master's degree from the part-time study of Media Studies (2015 – 2017)  
thesis: Deep Learning as a Socially Constructed Technology
- bachelor's degree from the part-time study of Media Studies (2011 – 2014)

### PROFESSIONAL EXPERIENCE

---

- **Research Assistant**, *Charles University in Prague* (since Oct 2013) – working on research projects involving multi-modal NLP and machine translation, teaching master students
- **Software Engineering Intern**, *Google* (Jul – Dec 2017) – internship, research and deployment of deep learning models for natural language processing
- **Analytical Linguist Intern**, *Google* (Jul – Oct 2016) – summer internship, research on machine translation evaluation
- **Research Development Support**, *IBM Czech Republic* (Mar 2012 – Feb 2015) – development of language tools for a spoken dialog system

### OTHER ACTIVITIES

---

- 2018: participation in the Fifth Frederick Jelinek Memorial Summer Workshop
- 2019: Schloss Dagstuhl Seminar on Joint Processing of Language and Visual Data
- Served as reviewer for NAACL 2019, ACL 2019 and EMNLP 2019, Prague Bulletin of Mathematical Linguistics, BlackBoxNLP 2019 workshop

Prague, May 6, 2019
