Charles University offers a wide range of study programmes taught in English. Some of the study programmes are also taught in German, or Russian. Applicants interested in studying medicine in English may see a special section on the left side.

Central database of all study programmes - admission requirements, deadlines, tuition fees

DATABASE - STUDY PROGRAMMES

The submission of applications is already closed for study programmes starting in October 2021. Some of our Ph.D. (doctoral) programmes are available for spring intake, with studies starting on March 1, 2022. You may find the programmes in the central database.

The admission conditions and requirements for the academic year 2022/2023 are currently being published. The admission process will begin in the upcoming weeks. At this moment, you may already apply for some of the study programmes starting in October 2022.

List of all study programmes in foreign languages for the academic year 2021/2022 is available here. (List of study programmes for the academic year 2022/2023 will be published later).
