
Catalogue of Services

Do you wonder how useful can research teams from Charles University be for your company, organisation or office?

Centre for Knowledge and Technology Transfer (CPPT) created in cooperation with partners from the whole C. U. a Catalogue of Services, that presents broad spectrum of cooperation opportunities.

There are many leading experts from different field of expertise at Charles University. Do not hesitate to use them.

Find out more in [Catalogue of Services](#) (full English version is being prepared) or contact CPPT - cppt@ruk.cuni.cz
