Most of the open positions can be found on faculties' websites:

- Catholic Theological Faculty
- Protestant Theological Faculty
- Hussite Theological Faculty
- Faculty of Law
- First Faculty of Medicine
- Second Faculty of Medicine
- Third Faculty of Medicine
- Faculty of Medicine in Plzeň
- Faculty of Medicine in Hradec Králové
- Faculty of Pharmacy in Hradec Králové
- Faculty of Arts
- Faculty of Science
- Faculty of Mathematics and Physics
- Faculty of Education
- Faculty of Social Sciences
- Faculty of Physical Education and Sport
- Faculty of Humanities

School of Physics - new free positions

- Assistant Professor position (tenure track) in the Department of Physics of Materials
- Assistant Professor position (tenure track) in the Department of Surface and Plasma Science
- Academic Researcher position (tenure track) in the Department of Surface and Plasma Science
- Academic Researcher position (tenure track) in the Department of Low-Temperature Physics, category VP2
- Academic Researcher position (tenure track) in the Department of Atmospheric Physics
- Associate Professor position in the Department of Surface and Plasma Science
- Associate Professor position in the Department of Condensed Matter Physics
- Full Professor position at the Institute of Particle and Nuclear Physics

Expected starting date is October 1, 2020, and it is negotiable.
Application deadline: April 15, 2020

Full informations:

School of Computer Science - new free positions

- Lecturer in the Department of Software and Computer Science Education
- Associate Professor position in the Department of Distributed and Dependable Systems
- Associate Professor position in the Department of Theoretical Computer Science and Mathematical Logic
- Full professor position in the Department of Distributed and Dependable Systems

Expected starting date is July 1, 2020, and it is negotiable.
Application deadline: April 15, 2020

Full informations:
School of Mathematics - new free positions

- Assistant Professor position (tenure track) in the Department of Mathematics Education
- Assistant Professor position (tenure track) in the Department of Mathematical Analysis
- Assistant Professor position (tenure track) at the Department of Probability and Mathematical Statistics
- Assistant Professor position (tenure track) at the Mathematical Institute of Charles University
- Postdoctoral two-year position in the Department of Algebra

Expected starting date is September 1, 2020, and it is negotiable.
Application deadline: **April 15, 2020**

Full informations:  

Director of the Mathematical Institute of Charles University
Qualification requirements: Habilitation or full professor title in Mathematics, outstanding publication activity in impacted journals, teaching experience in the areas of interest for the department, ability to coordinate the activities of the department, and a strong motivation for leading the department in a dynamic and proportional development. Fluent command of Czech language is required.

Expected starting date: Preferably on July 1, 2020.
Application deadline: **April 15, 2020**

Full informations:  

Head of the Department of Mathematical Analysis
Qualification requirements: Habilitation or full professor title in Mathematics, outstanding publication activity in impacted journals, teaching experience in the areas of interest for the department, ability to coordinate the activities of the department, and a strong motivation for leading the department in a dynamic and proportional development. Fluent command of Czech language is required.

Expected starting date: Preferably on July 1, 2020.
Application deadline: **April 15, 2020**

Full informations:  

Head of the Department of Macromolecular Physics
Qualification requirements: Habilitation or full professor title in Physics, outstanding publication activity in impacted journals, teaching experience in the areas of interest for the department, ability to coordinate the activities of the department, and a strong motivation for leading the department in a dynamic and proportional development.

Expected starting date: Preferably on July 1, 2020.
Application deadline: **April 15, 2020**

Full informations:  

Lecturer of English language
Qualification requirements: University degree in Humanities or Education in the field of English Philology, in case of native speakers any University degree. Experience with teaching “Academic English” is an advantage.

Starting date is September 1, 2020, and it is negotiable
Application deadline: **April 15, 2020**

Full informations:  
Lecturer in the Department of Physical Education
Qualification requirements: A University degree in Education. A fluent command of Czech language is required.
Starting date is September 1, 2020, and it is negotiable
Application deadline: April 15, 2020

Full informations:

Assistant Professor - Language acquisition and empirical methodology
Job description:
• Teaching in the required specialization – both BA and MA degree
• Supervision of students’ theses and projects
• Research in the field, publishing in international scientific journals
• Participation in the projects in the Institute of Czech Language and Theory of Communication

Expected starting date: September 1, 2020
Application deadline: April 30, 2020

Full informations:

Assistant professor or associate professor – at the Department of Physical Education
Requirements:
• Completed university degree in education;
• Experience and practice in sports

Expected commencement of work: September 1, 2020
Application deadline: April 19, 2020

Full information:

Assistant professor or associate professor at the Department of Employment and Social Security Law
Requirements:
• Completed master’s programme of study in law and jurisprudence;
• Completed or on-going doctoral programme of study specialised in employment law or social security law (Ph.D. degree);
• Publications focusing on employment law or social security law;
• Previous participation in a grant research project and teaching experience are an advantage.

Expected commencement of work: 15 September 2020
Application deadline: April 19, 2020

Full information:

Senior researcher position
The area of researcher: Kinanthropology/Biomechanics - kinetic and kinematic data analyses and the use of advanced statistical methods.

Full information:

Scientific post-doc positions at the School of Physics
Qualification requirements: a researcher with Ph.D. in physics or related fields, obtained not earlier than 7 years before the starting date of the position (this may be extended by maternity or parental leave, long-term illness, taking care of a family member for more than 90 days, and military service), who, during the last 3 years, worked outside of the Czech Republic for at least 2 years at the half-time (or more) research position or was for this period of time a Ph.D. student abroad. An appropriate publishing activity is required, i.e., in the past 3 years, at least 2 publication outputs registered in Thomson Reuters Web of Science or Scopus.

Postdoc researcher (VP2_11)
Charles University, Faculty of Pharmacy in Hradec Králové, represented by the Dean of the Faculty, announces an open competition for the project Efficiency and Safety Improvement of Current Drugs and Nutraceuticals: Advanced Methods – New Challenges (EFSA–CDN);
Project registration number: CZ.02.1.01/0.0/0.0/16_019/0000841; within the Operation Program Research, Development and Education (OP RDE), PA 1, IP 1, SO 1; OP RDE call: No. 02_16_019 Excellent Research;
to fill researcher position:
PD researcher – Postdoc position
Within research program Structural Modifications as a Tool to Improve Drug Safety (RP2).

Scientific post-doc positions at the School of Mathematics
Dean of the Faculty of Mathematics and Physics of Charles University announces opening of the following scientific post-doc positions at the School of Mathematics with submission deadline March 15, 2020

1. A researcher in modern areas of mathematical or numerical analysis with possible applications in the field of the theory of differential equations, mathematical modeling or numerical and computational mathematics, at the Mathematical Institute of Charles University, Department of Mathematical Analysis, Department of Numerical Mathematics and Department of Mathematics Education.
   ID of the position:   202003-PD-MS1

2. A researcher in the field of stochastic mathematics focused on random processes in time and space, stochastic geometry, time series, modern regression models, modern methods for multivariate analysis and their applications in the fields of biomedical, technical, finance and/or insurance, at the Department of Probability and Mathematical Statistics and the Mathematical Institute of Charles University.
   ID of the position:   202003-PD-MS2

3. A researcher in structural mathematics with a focus on modern aspects of mathematical logic, algebra and geometry, at the Department of Algebra and at the Mathematical Institute of Charles University.
ID of the position: 202003-PD-MS3

**Postdoc researcher (VP1_18)**

Charles University, Faculty of Pharmacy in Hradec Králové, represented by the Dean of the Faculty, announces an open competition

for the project Efficiency and Safety Improvement of Current Drugs and Nutraceuticals: Advanced Methods – New Challenges (EFSA–CDN);

Project registration number: CZ.02.1.01/0.0/0.0/16_019/0000841; within the Operation Program Research, Development and Education (OP RDE), PA 1, IP 1, SO 1; OP RDE call: No. 02_16_019 Excellent Research;

To fill researcher position:

Postdoc Researcher
within research program Biological Sciences in the Pharmaceutical Research and Development of Drugs and Nutraceuticals (RP1).

**Head of the Department of Analytical Chemistry, Head of the Department of Pharmaceutical Technology**

Charles University, Faculty of Pharmacy in Hradec Králové, represented by the Dean of the Faculty, hereby announces a competitive hiring procedure, in accordance with the Higher Education Act, for the following position:

Head of the Department of Analytical Chemistry
Head of the Department of Pharmaceutical Technology

https://portal.faf.cuni.cz/Careers/Head-DACH-DPHT-202002/

**Postdoc researcher (VP3_15)**

Charles University, Faculty of Pharmacy in Hradec Králové, represented by the Dean of the Faculty, announces an open competition

for the project Efficiency and Safety Improvement of Current Drugs and Nutraceuticals: Advanced Methods – New Challenges (EFSA–CDN);

Project registration number: CZ.02.1.01/0.0/0.0/16_019/0000841;

within the Operation Program Research, Development and Education (OP RDE), PA 1, IP 1, SO 1; OP RDE call: No. 02_16_019 Excellent Research;

To fill researcher position: Postdoc Researcher – 1 postdoc position
Within research programme Analytical Sciences for Safer Drugs and Nutraceuticals (RP3).

**PD researcher (postdoc position), RP4**

Charles University, Faculty of Pharmacy in Hradec Králové, represented by the Dean of the Faculty, announces an open competition

for the project Pre-application research into innovative medicines and medical technologies (InoMed),

Project registration number: CZ.02.1.01/0.0/0.0/18_069/0010046

within the Operation Program Research, Development and Education (OP RDE), Call No. 02_18_069 for Pre-application research for ITI, a project co-financed by the European Commission

To fill research position:

RP4: PD researcher (postdoc position), FTE 1.0 FTE (100 %)
