
THE 5th YEAR OF THE PRIMUS RESEARCH PROGRAMME!

Learn more about Primus and find out how you can apply!

Don't miss a unique opportunity to start a new scientific group or laboratory at Charles University: the 5th year of the PRIMUS Research Programme is just around the corner!

The Primus Research Programme aims to provide support for researchers, to increase the dynamics of scientific work (including the mobility of workers) and to help young researchers gain important experience and the chance to grow as scientists.

If you are interested in actively participating in the next year of the PRIMUS Research Programme, do not hesitate to apply. The deadline for submitting your application is April 20, 2020.

Important information

• Primus research programme rules

The key material of the competition is „Primus programme rules“ (Rector's Measure No. 41/2019) approved by the Research Board of the CUNI.

Submitting a competition proposal is possible via application <http://veda.is.cuni.cz>. (We recommend using the most recent version of Chrome or Mozilla Firefox.)

• CUNI employees and students

For logging in, use your personal number, which you will find below the photograph on your CUNI ID card and the password from the CUNI Central Authentication Service (CAS): <http://cas.cuni.cz>.

• Applicants from outside CUNI

To acquire login data, register using a form at <http://veda.is.cuni.cz/primus>.

• Contact

Department of Science and Research of the Charles University, email: primus@ruk.cuni.cz
