Open positions

- Full-time position as researcher at the Department of Economics, Faculty of Law of Charles University (26. 10. 2021)
- Academic Position – Department of Anaesthesiology, Resuscitation and ICM, Second Medical Faculty (25. 10. 2021)
- Faculty of Science, Charles University, Department of Organic Chemistry (25. 10. 2021)
- Academic Position – Department of Physiology, Second Medical Faculty (25. 10. 2021)
- Academic Position – Department of Obstetrics and Gynaecology (15. 10. 2021)
- Academic Position – Department of Medical Microbiology, Second Medical Faculty (15. 10. 2021)
- Faculty of Mathematics and Physics of Charles University - academic positions (12. 10. 2021)
- Center for Economic Research and Graduate Education, Charles University - Assistant Professor (12. 10. 2021)
- Faculty of Mathematics and Physics of Charles University - opening of academic positions (8. 10. 2021)
- Assistant/Assistant Professor/Associate Professor/Full Professor for the Department of Biophysics and Physical Chemistry (4. 10. 2021)
- Faculty of Science, Charles University, multiple academic positions (1. 10. 2021)
- Academic Position – Department of Paediatric Haematology and Oncology, Second Medical Faculty, Charles University and Motol University Hospital (16. 9. 2021)
- Academic Position – Department of Oncology, Second Medical Faculty, Charles University and Motol University Hospital (16. 9. 2021)
- Head of the Department of Anatomy (13. 9. 2021)
- Head of the Department of Infectious Diseases, First Faculty of Medicine, Charles University and Military University Hospital Prague (8. 9. 2021)
- Head of the 1st Department of Tuberculosis and Respiratory Diseases, First Faculty of Medicine, Charles University and General University Hospital in Prague (8. 9. 2021)
- Assistant/Assistant Professor/Associate Professor/Full Professor for the Department of Pharmacognosy and Pharmaceutical Botany (7. 9. 2021)
- Academic Position – Department of Paediatric Haematology and Oncology, Second Medical Faculty, Charles University and Motol University Hospital (6. 9. 2021)
- Faculty of Pharmacy in Hradec Králové - PD researcher – Postdoc position (30. 8. 2021)
- The Institute for Language and Preparatory Studies - 6 candidates for academic staff (28. 8. 2021)
- Academic position – Department of Anatomy, Second Medical Faculty, Charles University (20. 8. 2021)
- Assistant/Assistant Professor the Department of Sports Medicine and Active Health (13. 8. 2021)
- Faculty of Law of Charles University (5. 8. 2021)
- Assistant Professor of the DEPARTMENT OF SURGERY of FMP (3. 8. 2021)
- Faculty of Science, Charles University, Department of Botany (2. 8. 2021)
- Department of Internal Medicine, Second Medical Faculty, Charles University and Motol University Hospital (27. 7. 2021)
- Faculty of Law of Charles University, assistant or assistant professor at the Department of Civil Law (21. 7. 2021)
- Assistant of the DEPARTMENT OF PHARMACOLOGY AND TOXICOLOGY of FMP (15. 7. 2021)
- Assistant of the DEPARTMENT OF PSYCHIATRY of FMP (15. 7. 2021)
- Academic positions AP1 at the School of Computer Science (7. 7. 2021)
- Academic position – Department of Biophysics, Second Medical Faculty, Charles University (2. 7. 2021)

Full-time position as researcher at the Department of Economics, Faculty of Law of Charles University (26. 10. 2021)

Title of the project: International mobility of research, technical and administrative staff at Charles University

Term: commencement – Spring 2022 (ideally March 2022 with some flexibility upon agreement)

Requirements:

1. As on the date of commencement of mobility, the applicant should have worked in research for at least 2 years during the last 3 years in an organization outside the Czech Republic with the workload of at least 0.5 FTE. Czech citizens are not excluded.
2. The applicant was awarded Ph.D. or similar degree (an equivalent of level 8 under ISCED) at least 7 years before the commencement of the mobility.

3. During the last five years, the applicant should have been engaged in at least one international or national grant project in the capacity of main researcher or co-researcher.

4. The applicant should prove that during the last five years he or she has had at least three publications (i.e. publications registered in the databases Thomson Reuters Web of Science, Scopus or ERIH PLUS in the form of “article”, “book”, “book chapter”, “letter” or “review”).

Full information

**Academic Position – Department of Anaesthesiology, Resuscitation and ICM, Second Medical Faculty (25. 10. 2021)**

The Dean of the Second Medical Faculty, Charles University announces the selection process for academic positions at the Department of Anaesthesiology, Resuscitation and ICM, Second Medical Faculty, Charles University and Motol University Hospital:

- with a work position of 2 x 0.200
- with the expected start in December 2021

Applicant Requirements:

- University education in medical field
- Specialization in anaesthesiology and resuscitation
- Professional experience in the field
- Experience with teaching, research and publication activity
- Advanced ICT skills
- Active, field-specific knowledge of English and advanced knowledge of the Czech / Slovak language required

Full information

**Academic Position – Department of Physiology, Second Medical Faculty (25. 10. 2021)**

The Dean of the Second Medical Faculty, Charles University announces the selection process for an academic position at the Department of Physiology, Second Medical Faculty, Charles University:

- with a work position of 1,000
- with the expected start in December 2021 / January 2022

Applicant Requirements:

- University education in medicine, biomedicine or nature science
- Academic title Ph.D. or prerequisites for its completion in the foreseeable future
- Pedagogical practice and experience with teaching at universities
- Scientific and publishing activities; optimally in the field of neuroscience or cardiovascular physiology
- Ability to conduct independent research
- Experience in popularizing science
- Active field specific knowledge of English on level C plus and advanced knowledge of the Czech / Slovak language required

Full information

**Faculty of Science, Charles University, Department of Organic Chemistry (25. 10. 2021)**

With anticipated starting date of employment on March 1st 2022

- research in the field of organic chemistry within the project International Postdoctoral Fellowship-SAPAH (Synthesis of Aza-Poly-Aromatic Hydrocarbons)

Qualifications:

- Ph.D. or other appropriate level 8 ISCED (International Standard Classification of Education) qualification completed within the last seven years
- all research activities will be conducted in English; knowledge of the Czech language is not required

Specification:

The project CZ.02.2.69/0.0/0.0/18_053/0016976 “International mobility of research, technical and administrative staff at the Charles University”. 
The position is open for researchers with research experience in the development of novel synthetic methodologies and synthesis of molecules with broad applications. Extensive experience in purification and characterization of organic molecules using modern chromatographic and analytical techniques (NMR, IR, HPLC, etc.) is required. The ideal candidate should be knowledgeable and experienced in the field of transition metal-catalyzed reactions.

More abilities:
The applicant must have resided outside the Czech Republic at least for 2 years of the last 3 years.
The applicant must have had at least 2 published, peer-reviewed research outputs in the last 3 years. Outputs must be registered in the Thomson Reuters Web of Science, Scopus or ERIH PLUS database as well as “article”, “book”, “book chapter”, “letter” and “review”.

Selection process:
Selection will be based on the relevance of candidates’ professional interests and experience, excellence in research achievements.

Academic Position – Department of Obstetrics and Gynaecology (15. 10. 2021)
The Dean of the Second Medical Faculty, Charles University announces the selection process for an academic position at the Department of Obstetrics and Gynaecology, Second Medical Faculty, Charles University and Motol University Hospital:

- with a work position of 0,100 in neonatology
- with the expected start on 1 December 2021

Applicant Requirements:

- University education in medical field
- Attestation in the relevant field
- Prerequisites for research and pedagogical activity
- International publication and research activity
- Active work at a clinical and academic workplace abroad, a prerequisite for starting foreign cooperation
- Active knowledge of the English language advanced knowledge of the Czech / Slovak language required

Full information

Academic Position – Department of Medical Microbiology, Second Medical Faculty (15. 10. 2021)
The Dean of the Second Medical Faculty, Charles University announces the selection process for an academic position for the Department of Medical Microbiology, Second Medical Faculty, Charles University and Motol University Hospital:

- with a work position of 1,00
- with the expected start on 1 December 2021

Applicant Requirements:

- University education in medicine or nature science
- Completion of doctoral studies in the field of microbiology in the past 5 years
- Research activity
- Experience with submitting and managing grant projects AZV, GA ČR, etc.
- Publication activity in journals in the field of microbiology and/or infectious diseases, position of the senior or second author welcome
- Pedagogical practice, experience with teaching microbiology and leading bachelor's, master's and doctoral students
- Active field specific knowledge of English on level B2 and advanced knowledge of the Czech / Slovak language required

Faculty of Mathematics and Physics of Charles University - academic positions (12. 10. 2021)

School of Computer Science

- Assistant Professor at the Department of Theoretical Computer Science and Mathematical Logic specializing in the field of artificial intelligence.
- Assistant Professor at the Department of Software Engineering specializing in multimedia retrieval, content-based retrieval, database indexing, and applications of machine learning in the specified areas.
- Assistant Professor at the Department of Distributed and Dependable Systems
- Assistant Professor at the Computer Science Institute of Charles University

**School of Mathematics**
- Assistant Professor position (tenure track) in the Department of Algebra in algebra and logic.

**Center for Economic Research and Graduate Education, Charles University - Assistant Professor (12. 10. 2021)**
Workplace: Center for Economic Research and Graduate Education, Charles University
Position: Assistant Professor
Salary: According to the internal wage regulations of Charles University
Workload: 1,0
Expected start date: January 1, 2022
Application deadline: November 19, 2021

Requirements:
- university degree in economics, mathematical economics, or a closely related discipline,
- good command of the field of microeconomics and econometrics,
- attained Ph.D. degree an advantage,
- ability to publish in scientific journals,
- English proficiency.

**Faculty of Mathematics and Physics of Charles University - opening of academic positions (8. 10. 2021)**

**School of Physics**
- Full professor position at the Department of Condensed Matter Physics in the program Physics – Condensed Matter Physics.
- Associate professor position at the Department of Atmospheric Physics in the program Meteorology.
- Associate professor position at the Institute of Particle and Nuclear Physics in the field of particle physics with a focus on theory.
- Associate professor position at the Institute of Theoretical Physics in the field of gravity and relativistic physics.
- Associate professor position at the Department of Geophysics in the field of geomagnetism and theoretical geophysics.
- Associate professor position at the Department of Low-Temperature Physics in the field of solid state physics.
- Assistant Professor position at the Department of Chemical Physics and Optics specializing in the field of biophysics and biochemistry of photosynthesis.
- Assistant Professor position at the Department of Chemical Physics and Optics specializing in the field of computational and theoretical chemical physics.
- Assistant professor at the Department of Physics of Materials specializing in the field of physics of materials.
- Academic Researcher position at the Institute of Physics in the field of Quantum Optics and Optoelectronics
- Academic Researcher position at the Institute of Physics in the field of Molecular and Biological Structures
- Academic Researcher position at the Institute of Physics in the field of Molecular and Biological Structures
- Academic Researcher position at the Department of Atmospheric Physics in the field of the computational fluid dynamics, turbulence and atmospheric boundary layer.
- Academic Researcher position at the Department of Low-Temperature Physics specializing in the field of particle physics
- Academic Researcher position at the Department of Low-Temperature Physics specializing in the field of Physics of Condensed Matter and Materials Research
- Academic Researcher position at the Department of Surface and Plasma Science specializing in the physics of plasmas with a focus on space physics
- Visiting Professor position at the Institute of Particle and Nuclear Physics specializing in theoretical Physics.
- Postdoc position at the Institute of Theoretical Physics in the field of Time-Resolved Photoelectron Spectroscopy.
- Postdoc position at the Institute of Theoretical Physics in the field of gravity and relativistic physics.
Full information
• Director of Institute of Particle and Nuclear Physics
• Head of Department of Condensed Matter Physics

School of Computer Science
• Assistant Professor at the Department of Software Engineering specializing in knowledge and ontology engineering

School of Mathematics
• Associate Professor at the Department of Algebra in algebraic number theory.
• Associate professor position at the Mathematical Institute of Charles University in the field Mathematical Analysis.
• Assistant Professor position (tenure track) at the Department of Numerical Mathematics in the field of Numerical and Computational Mathematics
• Assistant professor position at the Department of Mathematical Analysis AP2 in the field of mathematical analysis, with specialization in functional analysis and theory of functions.

• A postdoctoral researcher at the Department of Algebra and at the Mathematical Institute of Charles University in the fields of algebra, geometry, number theory or mathematical logic.
• A postdoctoral researcher at the Mathematical Institute of Charles University in the fields of mathematical modeling and numerical mathematics

• Head of the Department of Mathematics Education

Assistant/Assistant Professor/Associate Professor/Full Professor for the Department of Biophysics and Physical Chemistry (4. 10. 2021)

Charles University, Faculty of Pharmacy in Hradec Králové, represented by the Dean of the Faculty, hereby announces a competitive hiring procedure, in accordance with the Higher Education Act, for the following position:
Member of the Academic Staff AP1/AP2/AP3/AP4 – Assistant/Assistant Professor/Associate Professor/Full Professor for the Department of Biophysics and Physical Chemistry

Requirements:
• PhD in the field of physical chemistry, biophysics, biostatistics, mathematical biology, computer simulations of biomedical processes, pharmacometrics or in a related field (or fulfilment of the prerequisites for awarding the degree of PhD)
• active knowledge of English
• publishing activities in the field
• prerequisites for additional teaching and research activities in the field of mathematics, biophysics, physical chemistry or statistics
• ability to work well in a team

Faculty of Science, Charles University, multiple academic positions (1. 10. 2021)

SECTION OF BIOLOGY
• Head of the Department of Cell biology for faculty academic staff and non-faculty candidates and also for non-faculty candidates the position of academic with a focus on cell biology
• Head of the Department of Physiology for faculty academic staff and non-faculty candidates and also for non-faculty candidates the position of academic with a focus on physiology

SECTION OF CHEMISTRY
• Academic with a focus on biochemistry (position on boarding: assistant professor)
• Head of the Department of Inorganic Chemistry for faculty academic staff and non-faculty candidates and also for non-faculty candidates the position of academic with a focus on inorganic chemistry

SECTION OF GEOGRAPHY
• Academic with a focus on social, regional or political geography (position on boarding: assistant professor)
• Academic with a focus on cartography/geoinformatics (position on boarding: assistant professor/assistant)
• Academic in the field of physical geography with a focus on climatology, meteorology (position on boarding: assistant professor/assistant)

Full information

SECTION OF GEOLOGY
• Academic with a focus on mineralogy (position on boarding: scientific worker with participation in teaching)
• Director of the Petrology and Structural Geology for faculty academic staff and non-faculty candidates and also for non-faculty candidates the position of academic with a focus on petrology and structural geology

Full information

Academic Position – Department of Paediatric Haematology and Oncology, Second Medical Faculty, Charles University and Motol University Hospital (16. 9. 2021)
The Dean of the Second Faculty of Medicine, Charles University announces the selection process for an academic position:
academic staff for the following workplace
• Department of Paediatric Haematology and Oncology, Second Medical Faculty, Charles University and Motol University Hospital
• with a work position of 0,100
• with the expected start on 1 November 2021
Applicant Requirements:
• University education in the field of medicine
• Academic title Ph.D.
• SVL attestation in haematology and oncology
• Research, scientific, publication and teaching activity
• Active, field specific communication in English on level C plus and advanced level of the Czech/Slovak language required

Full information

Academic Position – Department of Oncology, Second Medical Faculty, Charles University and Motol University Hospital (16. 9. 2021)
The Dean of the Second Medical Faculty, Charles University announces the selection process for an academic position:
academic staff for the following workplace:
• Department of Oncology, Second Medical Faculty, Charles University and Motol University Hospital
• with a work position of 0,100
• with the expected start on 1 November 2021
Applicant Requirements:
• University education in medical field
• Participation in SVL and completion of at least the basic part of specialized education (Internal medicine)
• Specialization in Clinical oncology
• Research and publication activity
• Active field-specific communication in English on C plus level and advanced knowledge of the Czech / Slovak language required

Full information

Head of the Department of Anatomy (13. 9. 2021)
Dean of the Faculty of Medicine in Pilsen, Charles University announces the selection procedure for position:
Head of the Department of Anatomy
Start of employment: January 2022
Requirements:

• a university degree in general medicine or natural sciences
• Docent of Professor degree
• minimum 10 year work experience in the field of anatomy, or related fields of imaging methods, surgery
• organisational and management skills
• prerequisites for pedagogical and research work
• active knowledge of English
• excellent knowledge of the Czech language (level C1 for foreigners)

Full information

Head of the Department of Infectious Diseases, First Faculty of Medicine, Charles University and Military University Hospital Prague (8. 9. 2021)
The Dean of the First Faculty of Medicine of Charles University and the director of the Military University Hospital Prague announce the competitive hiring procedure for the position of:

• The Head of the Department of Infectious Diseases, First Faculty of Medicine, Charles University and Military University Hospital Prague,
• and, at the same time for candidates for the said post, also for the position of the Professor or Associate Professor with the focus on Infectious Diseases.
• Presumed date of appointment: 1st March 2022.

Qualifications required:

University education in a relevant field, scientific educational degree of titul Professor or Associate Professor, professional competence in the field of communicable diseases or infectious medicine, practical experience of a team leader, experience in the specialty not less than 10 years, experience in education not less than 5 years, previous scientific and publishing activity, managerial and communicative skills, makings for leadership in a professional and scientific team in the given field, knowledge of economics in health service, active command of English language, no criminal records.

Full information

Head of the 1st Department of Tuberculosis and Respiratory Diseases, First Faculty of Medicine, Charles University and General University Hospital in Prague (8. 9. 2021)
The Dean of the First Faculty of Medicine of Charles University and the director of the General University Hospital in Prague announce the competitive hiring procedure for the position of:

• The Head of the 1st Department of Tuberculosis and Respiratory Diseases, First Faculty of Medicine, Charles University and General University Hospital in Prague,
• and, at the same time for candidates for the said post, also for the position of the Professor or Associate Professor with the focus on Pneumology and Phthisiology.
• Presumed date of appointment: 1st January 2022.

Qualifications required:

University education in a relevant field, scientific educational degree of titul Professor or Associate Professor, specialty in the field of tuberculosis and respiratory diseases or pneumology and phthisiology, practical experience of a team leader, experience in the specialty not less than 10 years, experience in education not less than 5 years, previous scientific and publishing activity, managerial and communicative skills, makings for leadership in a professional and scientific team in the given field, knowledge of economics in health service, active command of English language, no criminal records.

Faculty of Pharmacy in Hradec Králové - PD researcher – Postdoc position (30. 8. 2021)

Charles University, Faculty of Pharmacy in Hradec Králové, represented by the Dean of the Faculty, announces an open competition for the project Efficiency and Safety Improvement of Current Drugs and Nutraceuticals: Advanced Methods – New Challenges (EFSA–CDN);
Project registration number: CZ.02.1.01/0.0/0.0/16_019/0000841;
within the Operation Program Research, Development and Education (OP RDE), PA 1, IP 1, SO 1;
OP RDE call: No. 02_16_019 Excellent Research;

to fill researcher position:
PD researcher – Postdoc position
Within research programme Structural Modifications as a Tool to Improve Drug Safety (RP2).
VP2_12: Postdoc researcher, FTE 1.0, (100 %)

Responsibilities:
• Experimental work in a lab, especially research work in Activity 3 – the synthesis and/or biological evaluation of new phthalocyanines and related compounds,
• communication with biology specialists to evaluate the properties of the substances,
• evaluation of the structure-activity relationships,
• publish the results in international journals with impact factor,
The Institute for Language and Preparatory Studies - 6 candidates for academic staff (26. 8. 2021)

The Institute for Language and Preparatory Studies, Charles University announces, in accordance with the Selection process regulation of Charles University (Řád výběrového řízení Univerzity Karlovy) in its actual form, selection process for candidates for academic staff – lecturer:

Study Centre in Prague:

Position 1
• Teacher of Czech language for foreign speakers + PHONETICS AND PHONOLOGY
• Experience with teaching Chinese students is required.
• The position is full-time.

Position 2
• Teacher of Czech language for foreign speakers + one of the humanities
• Experience with teaching Chinese students is required.
• The position is part-time (0,75).

Position 3
• GRADUATE TEACHER + SKILLED MANAGER
• Minimum 3 years of management experience are required.
• Minimum 10 years of experience with teaching foreign speakers are required.
• The position is full-time.

Research and Test Centre in Prague:

Position 4
Specialist – LANGUAGE EXAMINER
Practical experience with creation, administration, execution and evaluation of standardized language exams is required. Experience with teaching foreign speakers is required.
The position is full-time.

Position 5
Specialist – LANGUAGE EXAMINER
Practical experience with creation, administration, execution and evaluation of standardized language exams is required. Experience with teaching foreign speakers is required.
The position is part-time (0,8).

Academic position – Department of Anatomy, Second Medical Faculty, Charles University (20. 8. 2021)
The Dean of the Second faculty of Medicine, Charles University announces the selection process for a candidate for an academic position for the Department of Anatomy, Second Medical Faculty, Charles University:
• with a work position of 1,000
• with the expected start on 1 October 2021
Applicant Requirements:
• University education in the field of medicine
• Provable interest in anatomy
• Research and publication activity welcome
• Pedagogical and teaching experience an advantage
• Active knowledge of the English language
• Knowledge of the Czech / Slovak language at the native speaker level required

Full information

Assistant/Assistant Professor the Department of Sports Medicine and Active Health (13. 8. 2021)
Assistant/Assistant Professor
the Department of Sports Medicine and Active Health- part time job 0,25

Requirements:
• a university or doctoral degree in general medicine or in general medicine
• min. 5 year work experience in specialization rehabilitation and physical medicine
• attestation in specialization rehabilitation and physical medicine
• prerequisites for scientific and pedagogical work,
• experience with pedagogical activites is advantageous
• active knowledne of English
• perfect knowledge of Czech language

Department of Internal Medicine, Second Medical Faculty, Charles University and Motol University Hospital (27. 7. 2021)
The Dean of the Second Medical Faculty, Charles University announces the selection process for an academic staff for the Department of Internal Medicine, Second Medical Faculty, Charles University and Motol University Hospital:
• with a work position of 0,050
• and with the expected start in September 2021

Applicant Requirements:
• University education in the field of general medicine
• Specialization in the field of internal medicine
• Publication and research activity
• Teaching experience
• Active field-specific communication in English and advanced knowledge of the Czech/Slovak language required

Full information
Faculty of Law of Charles University, assistant or assistant professor at the Department of Civil Law (21. 7. 2021)
Requirements:
• Completed university degree in law and jurisprudence;
• Completed doctoral study (Ph.D. degree);
• Publishing activity in the field;
• Czech language proficiency at C1 level required; competence in the English language and one more foreign language (German, French) is an advantage;
• Previous participation in a grant project and university teaching experience in law is an advantage.

Expected commencement of work: 1 October 2021.

Full information
Assistant of the DEPARTMENT OF PHARMACOLOGY AND TOXICOLOGY of FMP (15. 7. 2021)
Requirements:
• university degree in general medicine, pharmacy or related disciplines
• orientation in the field of clinical pharmacology
• prerequisites for scientific and pedagogical work
• excellent knowledge of the Czech language (daily use in teaching of Czech students)
• active knowledge of English

Start of employment in SEPTEMBER 2021 / part-time job (max. 8 hours per week)

Full information
Assistant of the DEPARTMENT OF PSYCHIATRY of FMP (15. 7. 2021)
Requirements:
• university degree in General medicine, Psychology or related disciplines
• prerequisites for scientific and pedagogical work
• excellent knowledge of the Czech language (daily use in teaching of Czech students)
• active knowledge of English

Start of employment in SEPTEMBER 2021
/ full time job or part-time job

Full information
Academic positions AP1 at the School of Computer Science (7. 7. 2021)
The part-time positions are available at the following departments:
• Department of Software and Computer Science Education, ID: 202108-AP1-KSVI
Qualification requirements: Mgr. (MSc.) degree in computer science or related fields.

Expected starting date: October 1, 2021.
