Conditions for entry of persons to the territory of the Czech Republic in accordance with the Ministry of Health Protective Measure

Based on

- the nationality / the residency of the person (see the category A, B, C, D below)
- the country from which the person enters after the stay exceeding 12 hours in the last 14 days (see the table on the right)

**ATTENTION:** it is forbidden for foreign nationals to enter and stay in the territory of the Czech Republic for reasons other than: travel to work and business or other similar activities, essential travel to family or close relatives, provision of care for children or animals, essential travel to health and social facilities services, including the necessary escort of relatives and close relatives, trips to deal with urgent official or emergency matters, including the provision of necessary escorts of relatives and close relatives, attendance of funerals, travels to participate in education, including internships and examinations, participation in authorized gatherings, trips to one’s place of residence (see Ref. No. MZDR 20599/2020-55/MIN/KAN).

- Self-isolation or quarantine do not replace the obligation to undergo a test in the Czech territory.
- Third countries, which are not categorised as green countries, are automatically considered to be dark red countries.

### A. CITIZEN OF THE CZECH REPUBLIC

<tr>
<td></td>
<td><strong>Travel to / from the Czech Republic for the period of time not exceeding 12 hours for essential reasons</strong></td>
</tr>
</tbody>
</table>

- proof of transit
- proof of the travel purpose in line with the Crisis Measure

It is obligatory to neither fill in the Public Health Passenger Locator Form prior to the entry, nor to undergo an antigen or RT-PCR test prior or after the entry.

► **Obligation to wear a respirator** or at least a **surgical facemask** outside of home for the duration of 10 days.

**ATTENTION:** international freight transport drivers transiting through the Czech territory to Germany or through German territory **must prior to the entry to the Czech Republic submit a negative result of an antigen or RT-PCR test undergone 36 hours or less prior to the entry to the Czech Republic.**

| A.c | **Diplomats, service passport holders and international organisation officials travelling for business purpose - the stay in / outside of the Czech territory not exceeding 72 hours** |

- holders of diplomatic passports, holders of service passports travelling to or outside of the Czech Republic for business purpose; international organisation officials registered at the Ministry of Foreign Affairs travelling to or outside of the Czech Republic for business purpose

- diplomatic passport issued by CZ
- service passport issued by CZ
- MEP card
- service card, employee card of an international organisation

**PLUS any of following documents:**
- meeting invitation
- travel order or other proof of travel for business purpose

It is obligatory to neither fill in the Public Health Passenger Locator Form prior to the entry, nor to undergo an antigen or RT-PCR test prior or after the entry.

► **Obligation to wear a respirator** or at least a **surgical facemask** outside of home for the duration of 10 days.

**CAUTION:** if the planned duration of your stay in the Czech territory shall exceed 72 hours, this exception does not apply to you and you must follow the general obligations in regard to covid-19 pandemic applicable to all Czech citizens (conditions laid out in the point A above).

| A.d | **Children below the age of 5** |
It is obligatory to neither fill in the Public Health Passenger Locator Form prior to the entry, nor to undergo an antigen or RT-PCR test prior or after the entry.

Obligation to wear a respiratory protective equipment in line with the general rules.

► After the entry / return to the Czech Republic from a dark red country, there is entry ban to a kindergarten or similar institution for a period of 5 days from the entry to the Czech Republic.

**A.e** Professional athletes and members of the national representation of the Czech Republic, including persons essential for sporting events permitted by the Ministry of Health’s exception, who are allowed individual training activities or participation in a mass event for which binding hygienic and anti-epidemic conditions have been established

- proof of professional sport performance
- confirmation of attendance of a sporting event., for which binding hygienic and anti-epidemic conditions have been established

► The general obligations in regard to covid-19 pandemic are applicable as to all Czech citizens (conditions laid out in the point A above), with the exception of self-isolation until submitting the RT-PCR test result.

**Entry from a red and a dark red country:** to undergo at own expense a RT-PCR test in the Czech territory after the entry to the Czech Republic – until a negative test result it is not permitted to train or attend a sporting event.

► Obligation to wear a respirator or at least a surgical facemask outside of home for the duration of 10 days.

**A.f** Cross-border workers, pupils and students working or studying in the neighbouring countries

- proof of a regular (at least once a week) state border crossing for the purpose of work performance or education; e.g. employment contract or a cross-border worker confirmation and a cross-border pupil and student confirmation (template at the MoI website)
- decision / proof of the care of or contact with a minor

It is obligatory to neither fill in the Public Health Passenger Locator Form prior to the entry, nor to undergo an antigen or RT-PCR test prior or after the entry.

Obligation to wear a respiratory protective equipment in line with the general rules.

**A.g** Policemen performing escort activities or security escort of aircraft

- document confirming the escort performance

It is obligatory to neither fill in the Public Health Passenger Locator Form prior to the entry, nor to undergo an antigen or RT-PCR test prior or after the entry.

Obligation to wear a respiratory protective equipment in line with the general rules.
A.h ▶ Czech citizens who demonstrably suffered the COVID-19 disease and completed isolation due to a positive RT-PCR test result in the full extend imposed by rules of the Czech Republic or other EU Member State; the date of the first positive RT-PCR test result must not exceed 90 days

- written medical certificate in English (stamped and with doctor’s identification and contact details) from a doctor in CZ or EU confirming the completion of isolation after a positive RT-PCR test, which was undergone less than 90 days (a possible confirmation sample in Czech/English can be found at the Ministry of Health, Ministry of the Interior and Ministry of Foreign Affairs websites)
- to be without clinical signs of COVID-19 disease

It is obligatory to neither fill in the Public Health Passenger Locator Form prior to the entry, nor to undergo an antigen or RT-PCR test prior or after the entry.

▶ Obligation to wear a respirator** or at least a surgical facemask outside of home for the duration of 10 days.

A.i ▶ Critical infrastructure service personnel whose performance is in the interest of the Czech Republic

- confirmation of critical infrastructure service worker issued in the interest by the Czech Republic

**NOTE:** other critical infrastructure service workers (without a confirmation of the interest of the Czech Republic) enter the Czech territory in emergency mode and all obligations apply in accordance to which country they depart from.

**ATTENTION:** the list of critical infrastructure subjects is fixed, meaning it is not possible to self-declare to be a critical infrastructure subject.

▶ The general obligations in regard to COVID-19 pandemic are applicable as to all Czech citizens (conditions laid out in the point A above), with the exception of obligation to undergo a RT-PCR test in the Czech territory after the entry from a red or dark red country and with the exception of obligation to remain in self-isolation till a RT-PCR test result is submitted — meaning they may immediately start servicing / repairing.

OR in case it is not possible to secure a pre-departure test, they may request the issuance of a diplomatic note by the Czech Ministry of Foreign Affairs – in such cases they must after the entry to the Czech territory and without delay undergo a RT-PCR test at own expense.

▶ Obligation to wear a respirator** or at least a surgical facemask outside of home for the duration of 10 days.

A.j ▶ Persons in possession of a diplomatic note confirming proven and completed isolation in a red or dark red country due to COVID-19 disease

- diplomatic note confirming proven and completed isolation

It is obligatory to neither fill in the Public Health Passenger Locator Form prior to the entry, nor to undergo an antigen or RT-PCR test prior or after the entry.

▶ Obligation to wear a respirator** or at least a surgical facemask outside of home for the duration of 10 days.

A.j ▶ Persons in possession of a diplomatic note confirming the impossibility to secure a pre-departure test in a red or dark red country
Valid from 15. 2. 2021 00:00

These are only very specific cases
- diplomatic note confirming the impossibility to secure a pre-departure test in the country of departure

**ATTENTION:** RT-PCR and antigen testing is possible in the vast majority of world countries, this exception is applied thus very rarely.

**ATTENTION:** some airlines may apply stricter conditions for boarding.

**A.k Cross-border cooperation within the intervention of the integrated rescue system services**
- Workers of the integrated rescue system of the Czech Republic

- integrated rescue system worker card
- integrated rescue system vehicle

It is obligatory to neither fill in the Public Health Passenger Locator Form prior to the entry, nor to undergo an antigen or RT-PCR test prior or after the entry.

- Obligation to wear a respirator** or at least a surgical facemask outside of home for the duration of 10 days.

**B. CITIZEN OF THE EUROPEAN UNION**

- Citizens of Iceland, Lichtenstein, Norway and Switzerland
- Citizens of Andorra, Monaco, San Marino and Vatican

**Conditions for entry to the Czech territory**
