News for Applicants

Study at Charles University in 2021/2022
The submission of applications is already closed for study programmes starting in October 2021. Find all programmes in the central database together with all the essential information. List of all study programmes in foreign languages for the academic year 2021/2022 is also available here. Charles University does not open Bachelor’s and Master’s programmes for spring intake; the admission procedure takes place once a year only.

Some of our Ph.D. (doctoral) programmes are available for spring intake, with studies starting on March 1, 2022. You may find the programmes in the central database.

The admission conditions for the academic year 2022/2023 will be published later in November or December 2021.

Travelling to the Czech Republic
At this moment, travelling to and from the Czech Republic is still restricted. However, the situation evolves every day. Please, follow the website of the Ministry of the Interior of the Czech Republic for conditions and updates. Also, stay in touch with the Czech embassies abroad.

You can find the conditions for entry of persons to the territory of the Czech Republic in accordance with the Ministry of Health Protective Measure in the attached document (valid from September 11, 2021).

Acceptance of new long-term visa/residence permit applications for the purpose of study is resumed at the respective consulates including Student Facilitation Program (REŽIM STUDENT). The Ministry of Foreign Affairs updates the table regularly.
