Study at Charles University in 2022

The admission conditions and requirements for Bachelor’s and Master’s programmes in the academic year 2022/2023 are published. At this moment, you may already apply for some of the study programmes starting in October 2022. The admission process for the rest of our programmes will begin in the upcoming weeks. Charles University does not open Bachelor’s and Master’s programmes for spring intake; the admission procedure takes place only once a year. Find all programmes in the central database together with all the essential information.

Some of our Ph.D. (doctoral) programmes are available for spring intake, with studies starting on March 1, 2022. You may find the programmes in the central database. Ph.D. programmes for the academic year 2022/2023 will be published in December 2021.

Webinar - Study at CU on November 30, 2021

Do you want to feel prepared and informed about the admission process and study options at CU? We invite all prospective students, parents and counsellors interested in learning more about the study options at CU to join our online webinar on Tuesday, November 30, 2021, from 3 p.m (CET).

Find more here.

Travelling to the Czech Republic

At this moment, travelling to and from the Czech Republic is still restricted. However, the situation evolves every day. Please, follow the website of the Ministry of the Interior of the Czech Republic for conditions and updates. Also, stay in touch with the Czech embassies abroad.

You can find the conditions for entry of persons to the territory of the Czech Republic in accordance with the Ministry of Health Protective Measure in the attached document (valid from October 27, 2021).

Acceptance of new long-term visa/residence permit applications for the purpose of study is resumed at the respective consulates including Student Facilitation Program (REŽIM STUDENT). The Ministry of Foreign Affairs updates the table regularly.

CU on Social Media

If you are interested in studying with us, you may follow the CU community on social media. You will learn essential up-to-date information as well as interesting facts about the university and its life. Is there a new study field? You will be the first to know about it. Is there going to be a webinar on communication skills? We will let you know.
