preliminary schedule

dates	process	concerns
15. 09. 2020 – 30. 10. 2020	submission of project proposals	head researchers
02. 11. 2020 – 06. 11. 2020	1st round of evaluation – formal aspects	university clerk
02. 11. 2020 - 20. 11. 2020	remedy of formal defects	head researchers
23. 11. 2020 – 31. 12. 2020	2nd round of evaluation	external evaluators
01. 01. 2021 - 12. 02. 2021	3rd round of evaluation	commission of rapporteurs

15. 02. 2021 – 26. 02. 2021	announcement of results	university clerk
01. 03. 2021 – 31. 03. 2021	signature of research Agreement	head researchers, deans, Rector
01. 04. 2021 – 31. 03. 2023	work on projects	
01. 04. 2023 – 30. 04. 2023	submission of Final Reports	head researchers
01. 05. 2023 – 31. 05. 2023	evaluation of Final Reports	commission of rapporteurs
30. 06. 2023	end of realisation of entire project	

The entire evaluation process, including the submission of proposals and announcement of results to head researchers, takes place electronically within **IS Věda**.

conditions of competition

- Project proposals can be submitted by doctoral students during their **standard study period**.
- **Only doctoral students** may be involved in a team as researchers.
- The maximum number of members of a research team is **5 doctoral students** (including the head researcher).
- In addition to a team of researchers, every project must also include a **mentor** – an expert, who is at the same time an employee of CU, who provides professional support for the team and its research, while not being part of it themselves.

informatin for evaluators

Information for evaluators can be found here on [this page](#) .
