
Postdoctoral Hub

Photo: Carolina Grabowska

Starting academics, researchers and postdocs are vitally important for every research university. They are at the beginning of their research and academic careers and thus create an innovative environment of the university. Later on they can establish themselves as key academics or researchers. This platform should be the signpost and a place to meet and share ideas for all postdocs at Charles University.

Postdoctoral Discussion Group

Postdoctoral Discussion Group - Please start by asking for membership [here](#) .
