
Costs of Living

Real-life average costs typically fluctuate from **550 EUR per month** for a modest lifestyle in a dormitory to **1000 EUR per month** for an active and culturally engaged lifestyle in private accommodation.

Below is a table with **approximate prices**. Housing prices vary depending on the distance from the city center, the size and shape of the apartment, etc. Your **food expenses** will also depend on your choices, a lunch at a restaurant costs about 8 EUR, but if you cook it yourself, it can be as little as 2 – 4 EUR. Don't forget about other expenses: toiletries, medicines, books, and clothing. If you want to get an idea of the **prices of individual products**, check out the Czech online shops or Numbeo.
