ALUMNI

Welcome to the Charles University Alumni Club website!

"Dear graduates of Charles University, welcome to the web pages of the CU Alumni Club, which brings together successful graduates from all over our university. It doesn't matter if you just graduated or graduated many years ago. It doesn't even matter how far away from your alma mater your paths have taken you. Let's establish and build a partnership that can last even after your graduation. Because it doesn't end with graduation, and together we can do more than just be a part of the alumni community of the oldest university in Central Europe."
