# TSTT 2023 Conference

---

The Faculty of Education organized the **TSTT 2023: International Conference Rethinking How to Train Teachers of Tomorrow** from 15th to 17th September 2023. The conference was arranged by postdoc Gamze Korbek, Ph.D. from the Pre-Primary and Primary Education Department.

Honoured to open the conference with inspiring speeches by Turkish Ambassador Egemen Ba??ş and Vice Dean Doc. Miroslava Černochová.

Deeply inspired by the theoretical and practical insights shared by keynote speakers, Kenan Dikilitaş and Maria Luisa Pérez-Ca?ado, and by the artistic skills nurtured by the special guest, Meltem Uldes.

Take a look at the photographs from the conference.
