

Charles University was founded in 1348, making it one of the oldest universities in the world. As the best-rated Czech university across the international rankings, Charles University is the knowledge hub of Central Europe, taking pride in its diversity, international scope, and lasting academic excellence.

#studylikeaking

**Charles
University**

All tuition fees are in EUR per one academic year. Some tuitions were converted from CZK or GBP using the exchange rate of 24.0 or 1.2 respectively and then rounded up, so the final amount may differ slightly. Students from EU/EEA countries are eligible for the lower tuitions, if these advertised. All the listed study programmes are taught in English language.

Choose from more than **60 English-taught Master's degrees** at Charles University and join a thriving international community of over **10,000 international students**. Double or joint degrees provide experience at multiple top universities, which opens doors across the European Union and the whole world. International students are guaranteed university accommodation, and the Czech Republic's strong economy, featuring one of the lowest unemployment rates in the EU, means excellent opportunities for part-time work during studies and professional careers after graduation.

All programmes are accredited within Czechia and the EU, ensuring respected and internationally recognized degrees. All of this takes place in **Prague**, one of the most beautiful, greenest, and safest cities in the world, or **Hradec Králové**, the so-called "Salon of the Republic".

Visit **Study Charles** for everything you need to know about our programmes, application process, scholarships, contact details, and get in touch with current international students or alumni. Explore more at www.studycharles.cz!
