

#studylikeliving

Charles University was founded in 1348, making it one of the oldest universities in the world. As the best-rated Czech university across the international rankings, Charles University is the real knowledge hub of Central Europe, taking pride in its diversity and lasting academic excellence.

Charles University

UNDERGRADUATE STUDY PROGRAMMES

All tuition fees are in EUR per one academic year or, in case of our foundation courses, the entire course. Some tuitions were converted from CZK using the exchange rate of 24.5 and then rounded off, so the real amount may differ slightly. Students from EU/EEA countries are eligible for the lower tuition where two prices are listed. Earlier application deadlines are recommended to visa-seeking students.
