CharlesUniPRG
Charles University
Charlesuni
Charles University

All tuition fees are in EUR per one academic year or, in case of LL.M., for the entire course. Some tuitions were converted from CZK or GBP using the exchange rate of 24.66 or 1.2 respectively and then rounded up, so the final amount may differ slightly. Students from EU/EEA countries are eligible for the lower tuitions, if advertised. All the listed study programmes are taught in English language.
