All tuition fees are in EUR per one academic year or, in case of our foundation courses, the entire course. Some tuitions were converted from CZK using the exchange rate of 24.66 and then rounded up, so the final amount may differ slightly. Students from EU/EEA countries are eligible for the lower tuitions, if advertised. Earlier application deadlines are recommended to the students from non-EU/EEA countries.

**UNDERGRADUATE STUDY PROGRAMMES**
