Rector's Directive No. 50/2023

Title:

Priorities for the activities of the Mobility Fund of Charles University for 2024

To implement:

Article 2 (6) of Rector's Directive No. 33/2018, Statutes of the Mobility Fund of Charles University

Lead Office:

International Relations Office

Effect:

1 January 2024

Priorities for the activities of the Mobility Fund of Charles University for 2024

1. Priorities in the specific areas:

- a) Studying at a university abroad for one to two semesters for full-time students, in particular:
- Students on the basis of an inter-university agreement on direct cooperation
 - Students participating in joint PhD programmes – taking into account joint degrees, double degrees, and cotutelle
 - Students in a master's study programme completing a stay as "free movers"
 - Students in a PhD study programme completing a stay as "free movers"

especially:

in connection with reciprocity
with regard to a long-term exchange
with a presentation of their own research results

For students in a PhD study programme, the entire stay abroad must be an integral part of their curriculum. For students in a master's study programme, the stay abroad must be at least partially reflected in their curriculum.

- b) International students studying at Charles University
- Students on the basis of an inter-university agreement on cooperation
 - Full-time students of PhD and master's programmes of study taking into account joint programmes – joint degrees, double degrees, cotutelle, and "free movers"
- c) Stays of international university employees or researchers at the university
- Introducing innovative elements into instruction
 - Expanding the current state of instruction in a specific subject area
 - Working in several faculties at Charles University
 - Preparing a CU workplace for participating in a joint international project
 - An employee from a university abroad working at Charles University as a part of a sabbatical
 - A short-term lecture or research stay at Charles University

- d) Short-term scientific or research stays abroad

especially:

as part of preparing a joint programme (especially a PhD programme) with a prestigious institution abroad

This does not apply to trips relating to conferences, seminars, congresses, etc. A stay must be for at least three weeks.

2. Terms for submitting proposals in 2024:

- **In the summer semester: from 1 February 2024 to 28 March 2024**
- **In the winter semester: from 16 September 2024 to 31 October 2024**

3. Repeals:
