## Award of the Minister of Education, Youth and Sports

effective from 31 July 2018

The prize is awarded to outstanding students or graduates of a bachelor's, master's or doctoral study programme for outstanding results in studies or scientific, research, development and innovation, artistic or other creative activities related to studies in the given study programme. In addition, the prize is awarded to a student or graduate for an extraordinary act of civic bravery, responsibility or dedication.

The award consists of a diploma and a gift in kind or a monetary gift with a total value of up to CZK 50,000.

Proposals for the award are submitted by the rectors of universities by 31 August of each calendar year; proposals for a graduate may be submitted no later than one year after the proper graduation of studies in the relevant degree programme. A maximum of 10 prizes may be awarded in a calendar year.

The faculty sends the justified proposals in paper and electronic form **to the Rector's Office of Charles University no later than 30 May**.

The statute of the prize is published at: <http://www.msmt.cz> (available in Czech only).
