# Collaborate with Charles University

---

Don't want to say goodbye to your alma mater? Still want to be an **active part** of it? Looking for a meaningful way to apply your years of study and hard-earned knowledge? **We'll be delighted to get you involved!**

## Several ways of collaboration with CU:

|  |  |
|--|--|
|  | <b>1) Interview or article in the Forum university magazine:</b> |
|--|--|

Do you know other interesting graduates or do you have an exceptional life story and career that you would like to share with others?

|  |                              |
|--|------------------------------|
|  | <b>2) Mentoring students</b> |
|--|------------------------------|

Do you want to use your experience from studying at CU to help struggling students? Become their guide/mentor and guide them towards their dream goal. You can also establish new relationships yourself.

|  |   |
|--|---|
|  | <b>3) Career support for recent graduates</b> |
|--|---|

Do you have an interesting job that you want to share with others? Or are you looking for suitable candidates for your job? Would you like to advise your compatriots on how the labour market works in the Czech Republic or in your own country? We'd love to hear about your experiences and knowledge.

|  |                        |
|--|------------------------|
|  | <b>4) Volunteering</b> |
|--|------------------------|

If you want to participate in shaping a better world, join the Charles University volunteer programme to help with us. If you are interested, please contact our [Dobrocentrum](#) directly.

|  |  |
|--|--|
|  | <b>5) Organisation of a lecture or educational programme</b> |
|--|--|

Are you engaged in interesting research and want to share your results? Or would you like to tell us something about your country of origin, or organise a themed evening for students or graduates? Contact us and we will be delighted to realise your plan with you.
