The 11th Round of the PRIMUS Competition

The 11th round of the PRIMUS competition for the year 2026 will be announced in spring 2026!

- Proposals for the PRIMUS competition are to be submitted via the Internal application operated within the Charles University Information System (hereinafter the “application”): <http://www.cuni.cz/UK-7545.html> .
- Current students and employees of Charles University can access the application using their personal ID number and password from the Central Authentication Service of Charles University.
- Applicants without access to the Charles University Information System may request access to the application no later than 7 April 2026 via the registration form published on the PRIMUS programme website.
- Proposals may be submitted on a rolling basis, starting from 1 March 2026.

Supported projects may commence no earlier than 1 January 2027.

All applicants are strongly encouraged to consult their future proposals with the faculty or university institute where they plan to carry out the project.
