INFORMATION TO APPLY

• Documents required

1. **Grades Certificate:** English or Spanish. The average must be equal or superior to 5.0 in the Chilean scale of grades. <https://uchile.cl/u67619>
2. **Spanish Certificate:** DELE B1 or Level B1 certificate given by the home university. This requirement it is not mandatory for Spanish speakers. B2 is required for medical students.
3. **Passport copy**, personal information page
4. **Preliminary learning agreement form**, with the subjects of interest
5. **Letter of Awareness of Harrassment Policies**, signed and attached
6. **Up-to-date vaccinations**, check the restrictions below.

• Academic Offer

It is recommended to review the catalog of courses regularly available for each semester.

• Restrictions

- Courses in areas such as Medicine and Odontology have restrictions when it comes to accepting exchange students. Students must present proof of three doses of the Hepatitis B vaccine, COVID-19 within the last 12 months and Influenza vaccination within the last 6 months, and provide recent boosters before arrival in Chile.
- Faculty of Economics and Business only accepts students whose academic background is directly related to the fields of economics, finance or business.
- Postgraduate applicants are analyzed individually by the respective Faculty.

ACADEMIC INFORMATION

• Academic Load

It is recommended to enroll up to 30 SCT maximum. This is equivalent to 45 hours per week as a full academic load for one semester.

• Transcript of Records

Grades obtained during the first semester, are sent in August, and those for the second semester in January. Each student can download their ToR in UCampus platform.

• Credits System

The equivalence of credits is calculated according to weekly teaching hours of each course. To review equivalencies, please go to next link: <https://uchile.cl/u67619>

USEFUL INFORMATION

• Accommodations

University of Chile does not provide guaranteed student housing. However, each semester the PME sends a form to apply for residences managed by Direction of International Relations.

• Monthly Living Expenses

The average cost per month (accommodations, food and transportation within Santiago) is about **US\$800 or US\$1.000**.

• Spanish Course

For those interested in improving their Spanish level, the information about available courses is at: <http://uchile.cl/u6694>
