

FOCUS PROGRAMS

Discover Mexico and **unlock your academic potential**

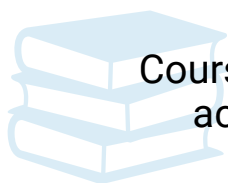

Tec de Monterrey has created the Focus Programs, an option offered in English during the semester periods, that allows you to earn **12 academic credits** with courses tailored to your specific academic interests.

Additionally, you may enrich your experience by taking courses related to the cultural and historical aspects of Mexican identity, Spanish as a second language, or other regular courses in different academic areas, for a total of up to 18 credits (30 ECTS).

Program structure

MANDATORY

Courses in a specific
academic area

(12 credits)

OPTIONAL

Humanities courses related to
Mexico & Spanish as a second
language or other regular courses

(up to 6 additional credits)

12 CREDITS | 20 ECTS | 12 USA CREDITS
