STUDENT EXCHANGE PROGRAM

Languages	Spanish. English: Courses available in Management, Economics, Engineering, Marketing, and International Business.
Spanish Language Requirements	While an official language certificate is not mandatory, we strongly recommend a B2 level of Spanish proficiency (written and spoken).
Exchange Students	Undergraduate and graduate students (graduate students may be required to enroll in undergraduate-level courses).
Eligibility	Students must be selected and nominated by their home university to participate in the student exchange program.
Number of Exchange Students	As established in the bilateral agreement. This number may be increased upon prior coordination with Universidad de Lima.
Maximum Exchange Period	Students may participate in the exchange program at Universidad de Lima for a period of up to one academic year.

End of Academic Term	July 22
Digital Grade Signature	July 24

Semester 2026-2: Fall*

Welcome Week	August 12–14
First Day of Classes	August 17
End of Academic Term	December 16
Digital Grade Signature	December 18

* Dates subject to change.

NOMINATION AND APPLICATION DATES

Semester 2026-1 (Spring)	Nomination Start Date: August 4 Nomination Deadline: November 14 Application Deadline: December 15
Semester 2026-2 (Fall)	Nomination Start Date: February 2 Nomination Deadline: May 15 Application Deadline: June 15

APPLICATION PROCESS

1

NOMINATION BY EMAIL

Send your nomination to uce_intercambio@ulima.edu.pe with:

- Full name
 - Email
 - Degree program
 - Planned semester at Ulima
-

2

APPLICATION VIA MOBILITY ONLINE

Each student will receive a link to submit their online application through the Mobility Online platform. The following documents must be uploaded:

- Nomination letter from your home university (nomination email is also accepted)
 - Passport copy
 - Resume
 - Academic transcript (Spanish or English)
 - Motivation letter explaining your interest in Universidad de Lima
 - Application form signed by your international coordinator (downloadable from Mobility Online)
 - Color passport photo (JPG format, 240 × 288 pixels, 300 DPI)
-

3

LETTER OF ACCEPTANCE

This will be submitted within 15 days after receiving the complete application documents.

4

VISA PROCESS

Students must upload the following documents to the Mobility Online platform at least 60 days before their arrival to Lima:

- Air ticket (round trip)
 - Statement of solvency to travel to Peru (downloadable from Mobility Online)
 - International health insurance
 - List of Peruvian clinics available to students during their stay
 - Accommodation address in Lima
-

5

ENROLLMENT

Students will receive an email with enrollment instructions three weeks before the start of classes.

CURRICULUM

Students must choose the curriculum for the program they wish to pursue.

	School of Business and Economics	Management Undergraduate Program
		Marketing Undergraduate Program
		International Business Undergraduate Program
		Economics Undergraduate Program
		Accounting and Finance Undergraduate Program
	School of Communication	Communication Undergraduate Program
English Courses	School of Engineering	Industrial Engineering Undergraduate Program
		Civil Engineering Undergraduate Program
		Systems Engineering Undergraduate Program
	School of Law	Law Undergraduate Program
	School of Psychology	Psychology Undergraduate Program
Explore our selection of courses available in English:		- Click here for Business courses - Click here for Engineering courses

IMPORTANT:

For course syllabi, please email uce_intercambio@ulima.edu.pe.

ACADEMIC INFORMATION

COURSE WORKLOAD

3-4 hours per week (class hours).
Attendance is **mandatory**.

STANDARD NUMBER OF SEMESTERS TO COMPLETE A BACHELOR'S DEGREE

- Students must complete 209 credits in 10 semesters (5 years).
- Students who pursue the Law Program must complete 257 credits in 6 years.
- Students who pursue the Psychology Program must complete 237 credits in 6 years.

CREDIT SYSTEM

One Ulima credit is equivalent to one hour of theoretical class or two hours of practical class per week throughout the semester. The semester has 14 weeks of classes.

Each course is worth 2–6 Ulima credits, depending on its complexity. Please note that Ulima credits are not the same as ECTS credits. Some European institutions apply the following equivalence: 1 Ulima credit = 1.5 ECTS.

GRADING SYSTEM

The grading system ranges from 0 to 20. Any grade below 11 is considered a failing grade.

ECTS GRADE EQUIVALENCY TABLE

	FAIL	PASS	NOTABLE	OUTSTANDING	EXCEPTIONAL*
ECTS	FAIL (F) Considerable further work is required. FAIL (FX) Some more work required before the credit can be awarded.	SUFFICIENT (E) Performance meets the minimum criteria. SATISFACTORY (D) Fair but with significant shortcomings.	GOOD (C) Generally sound work with a number of notable errors.	VERY GOOD (B) Above the average standard but with some errors.	EXCELLENT (A) Outstanding performance with only minor errors.
PERU	0–10.9	11–13.9	14–16.9	17–18.9	19–20

*First class honors (*matrícula de honor*).

ISSUANCE OF TRANSCRIPTS

Transcripts are sent to students about one week after the end of the semester.

ACADEMIC ADVISING

An academic advisor will guide students through the course selection process during enrollment. Course changes (add, switch, or drop) are only allowed during the **first week of classes**.

HEALTH INSURANCE INFORMATION

Mandatory Health Insurance

Before arriving in Peru, students must submit a copy of their international health insurance policy, issued in their home country, covering the entire duration of their exchange period (from the arrival date in Lima until their return to their home country).

The policy must include outpatient care, hospitalization, and repatriation of remains, with direct billing available at private clinics in Peru. It must also clearly state the coverage dates.

Students must request a list of affiliated private clinics in Peru from their insurance provider and upload it to the Mobility Online platform.

VISA INFORMATION

Universidad de Lima will process the official exchange visa for students through the Peruvian Ministry of Foreign Affairs.

In order to start the process, exchange students must upload the information below to the Mobility Online platform **60 days before their arrival in Lima**:

- Air ticket (round trip)
- Statement of solvency to travel to Peru (downloadable from Mobility Online)
- International health insurance
- List of Peruvian clinics available to students during their stay
- Accommodation address in Lima

Students will be notified when the visa is ready (one or two weeks before arriving in Lima), so they can pick it up at the nearest Peruvian Embassy or Consulate. Please visit <http://www.consulado.pe/paginas/Inicio.aspx> to find the Peruvian Consulate in your country.

Important:

To extend their stay for another semester, students must email uce_intercambio@ulima.edu.pe to begin the visa renewal process. Additionally, if students plan to leave the country during their study period, they must inform the Immigration Officer and specify that they hold a Peruvian study visa granted by the Ministry of Foreign Affairs—valid for re-entry into Peru. Students must confirm this information.

ACCOMMODATION

As on-campus housing is not available at Universidad de Lima, students may choose from the list of accommodation options attached to the Mobility Online application form. Assistance is available upon request.

ADDITIONAL INFORMATION

PALS PROGRAM

Each international student will be supported before and during their exchange by a PALS partner, who will assist with their cultural and academic integration. The program includes help with course registration and guidance on using the Ulima App and the Blackboard platform.

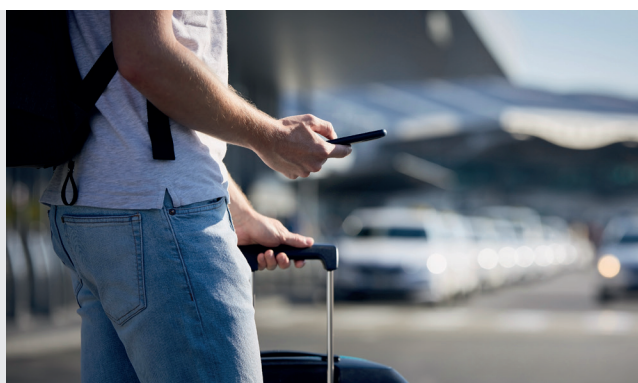

Objectives:

- Support exchange students in adapting to academic life and the Ulima campus.
- Provide an opportunity for both students to practice a foreign language.
- Promote cultural exchange by encouraging students to learn about different languages, customs, and traditions.

AIRPORT PICKUP SERVICE

Free airport pickup service is provided for the day of arrival of students. We will reach out to students two weeks before arrival to arrange this service.

NEW: JOINT SUPERVISION OF THESIS PROJECTS

Exchange students working on a thesis related to our research areas can benefit from academic support provided by faculty members at Universidad de Lima during the semester.

Program	Research Areas	Requirements	Semester for Joint Supervision
Systems Engineering	• System Design and Methods • Business Engineering • Software Engineering • Information Systems • Information Technology	• Research skills • Theoretical understanding of the school's research areas • A viable project • Availability for reviewing and reading scientific articles • Enrollment in a related degree program • A research interest or thesis project that aligns with the program's research areas • Open to feedback and continuous improvement	First semester of 2026 preferred
International Business	• Sustainability • International Relations • Market Intelligence • International Trade Logistics		
Communication	• Advertising and Marketing • Communication and Development • Corporate Communication • Journalism and Information Management • Photography and Design • Animation and Video Games • Audiovisual Management and Production • Semiotics • Communication and Education • Political Communication • Communication and Health		

VOLUNTEER OPPORTUNITIES

Exchange students will have the opportunity to participate in the University's social responsibility projects through the Sustainability Center, in collaboration with partner institutions. For more information, click [here](#).

Discover our work:

- [Sembrando Conocimientos](#) (Sowing Knowledge)
- [Ciudades Verdes](#) (Green Cities)
- [Cuida tu Playa](#) (Protect Your Beach)

Important:

- To register for any volunteer program, students must be enrolled in at least nine credits.
- Upon completing the selected program, volunteers will receive a certificate of participation after being evaluated by the coordinator.
- The University may record and photograph activities, as well as collect testimonials for future programs.
