---

Dr. Hasan Selcuk  
Assistant Professor and Senior Lecturer at the University of Latvia

<b>Expertise and focus:</b>	My expertise lies in educational technology, teacher education, and the integration of artificial intelligence (AI) in teaching and learning. I specialise in developing digital literacy and AI literacy frameworks for pre-service and in-service teachers. My research focuses on technology-enhanced learning, collaborative writing in foreign language education, and policy analysis related to teacher certification and qualification systems. I have coordinated and contributed to several Erasmus+ projects and published internationally on AI in education, inclusive pedagogy, and computational thinking integration in language learning contexts.
<b>Form of mentoring meetings:</b>	Online
<b>Has an experience in:</b>	Academic career Career in the public sector Career in the private sector
	<a href="#">Link to CV</a>
