Structure of University Studies

- Bachelor’s degree (typically 3 years)
- Follow-up Master’s degree (typically 2 years)
- Ph.D. (3 - 4 years)
- Long-cycle Master’s degree (5 - 6 years) – concerning General Medicine, Dentistry or Pharmacy (in both Czech and English language), Master’s in Law, Teacher Training for Primary Schools or Catholic Theology (in Czech language only). To start the Long-cycle Master’s degree no Bachelor’s degree is needed.

Study in English (German, French or Russian)  Medicine in English  Study in Czech
