
International Student Clubs & Tutor Programmes

International Student Clubs

The 1st International Student Club was formally established at the Faculty of Social Sciences in 2001. Since then activities have grown and are now for all incoming students at Charles University. The main aim of the clubs is to organise all kinds of meetings, excursions and longer-term trips throughout the Czech Republic and to neighbouring states. Students of the International clubs also provide practical information about how to survive and enjoy yourself here.
