Arriving to the Czech Republic

When arranging your travel to the Czech Republic, please bear in mind that three of Charles University faculties are located outside Prague: the Faculty of Pharmacy in Hradec Králové, the Faculty of Medicine in Hradec Králové and the Faculty of Medicine in Plzeň (Pilsen).

When searching for a connection from Prague to Pilsen/Hradec Králové, you can use this link.

Before starting your studies, you have to complete the enrolment at the University.

Your registration will be arranged during the Orientation Programme (1-5 days depending on the host faculty) or other meetings with the Faculty coordinator/s. During the Orientation Programme, you will get further important information about your Erasmus study process. That includes getting the Faculty coupon for your Charles University Card.

For more details, please read all of the relevant information at Charles University website for Erasmus incoming students and informational e-mails which you will regularly receive from the European office as well as your faculty coordinator.
