
Vice-Rector for International Affairs

prof. MUDr. Jan Škrha, DrSc., MBA

Professor Škrha focuses mostly on the biochemistry and pathophysiology of diabetes and its complications. As the lead researcher, he has been in charge of 8 grant projects (IGA, GAČR, GAUK), one of which has won the Minister of Health Award. He leads a PRVOUK research project at the 1st Faculty of Medicine, Charles University. He is the author of five monographs, a number of chapters in monographs, and more than 300 professional articles in journals. Since 1990, he has been a member of the board of the Czech Diabetes Society and he is also the vice-chairman of the Czech Medical Association of J. E. Purkyně. He has been a member of the boards of foreign associations (European Association for the Study of Diabetes – EASD) and of the Federation of the Danube Symposia. He is the vice-president of the European Union of Medical Specialists based in Brussels.
