
Easter greetings

Dear students, colleagues, employees and teachers, and friends of Charles University,

I would like to wish you all the best during the Easter holidays.

The period of Easter is deeply connected with rebirth (in a theological sense and in nature) with the coming of the spring. As all of you, I am looking forward to the first sunny days and to 'new life' in full bloom around us.

Whether you are spending Easter with family and friends, in recreation or sport over the coming days, allow me to wish you a pleasant and peaceful holiday.

Rector Tomáš Zima
